

Cayman Art Week (CAW) is a week-long curated programme of gallery tours and open studios held annually in May. Designed to celebrate and encourage the collection of art in the Cayman Islands, CAW offers unparalleled access to over 40 art venues. It also provides a singular platform through which to showcase a range of discussions, pop-up interventions, and exhibitions to local and international audiences.

We are dedicated to ensuring Cayman's cultural landscape continues to thrive by connecting collectors with creators to facilitate the sale of art.

CAYMAN ART WEEK IS GRATEFUL FOR THE SUPPORT OF MANY LOCAL ORGANISATIONS INCLUDING OUR LEAD PARTNERS:
