CICC's Fundraising Gala, inspired by the iconic Met Gala at The Metropolitan Museum of Art is a celebration of resilience, hope, and the power of our community. This unforgettable night will bring together community leaders, change makers, and compassionate supporters to raise critical funds and awareness for our life-saving programmes.

Guests will be immersed in a breathtaking, celestial-themed experience filled with moving survivor stories, captivating performances, gourmet dining, and meaningful moments of connection. This will be an evening of creativity, elegance and empowerment and it will leave every guest uplifted and reminded of the extraordinary impact we can make when we come together for a cause that truly matters.

The funds raised from the gala will directly support emergency services and year-round care for survivors. Sponsorship packages range from CI\$5,000 to CI\$40,000. Our valued sponsors will receive high-visibility recognition across our event materials, digital promotions, and at the gala itself — positioning their organization as a committed advocate for social change and community wellness. For more information please contact fundraising@cicc.ky.

If sponsorship is not an option currently, we also offer individual tickets (CI\$350 x 1 ticket) and tables (CI\$3,000 x 1 table for 10 guests) available for purchase. Please contact fundraising@cicc.ky for more details.
